**CONSENT TO ACCESS MEDICATION HISTORY**

In order to provide you with the best possible care, your prescriptions will be written electronically whenever possible. Electronic prescribing is now a common practice due to healthcare initiatives requiring the use of electronic medical records. With your permission, e-prescribing will provide us access your medication history electronically, enabling us to see critically important information on your current and past prescriptions, better assess potential medication issues, and improve safety and quality of care.

By signing below I give my consent to Diablo Valley Oncology to access my medication history electronically and to the best of my knowledge, I verify that the above medical information is complete and correct. I understand that it is my responsibility to inform my physician if I ever have a change in my health.

**PREFERRED OUTSIDE PHARMACY**

Diablo Valley Oncology (DVO) has an Onsite Physician Dispensing Pharmacy for your convenience. We use the same software and have the same relationship with insurance companies & Medicare as any retail pharmacy. Prescriptions filled on site at DVO take just a few minutes. Our service is particularly helpful for new prescriptions and refills given to you while you're here in the office. In addition to our most frequently prescribed medications, we focus on stocking medications that have been difficult for our patients to acquire. The co-pay costs are no different than they would be in your local pharmacy and are sometimes better. Our staff will do everything possible to help lower your co-pay and will also provide support and information on medication assistance programs. *There is no obligation to have prescriptions filled at DVO. You may continue to receive your medications at the pharmacy of your choice.*

**TREATMENT COUNSELING & NUTRITION CONSULTATION**

You will meet with the Nurse Practitioner or Physician Assistant to discuss the treatment regimen your physician has recommended for you. You may wish to come to this appointment with a prepared list of questions, and we encourage you to bring a family member, caregiver or friend with you. We will make every attempt to answer all your questions. This is typically a 30 minute appointment.

We will explain:

- Your specific treatment regimen
- Each of the medications you will be given, the potential side effects and how to manage them
- When your treatments will begin and how long the course of treatment will take

You will be provided with:

- A consent form for treatment
- Educational materials

You will be scheduled for a second Counseling session to include:

- An orientation to our practice
- Information on community resources
- Nutrition Consultation with a Registered Dietician

**INSURANCE BENEFITS REVIEW**

In advance of your treatment counseling, one of our Reimbursement Coordinators will research and review your insurance benefits as they apply to the specific treatment regimen you are to receive. As a convenience to you, we will meet with you in person immediately following your treatment counseling to share what we learn. This will assist you in coordinating payments for our services. This meeting, which usually takes 10 minutes, may be done in person or by phone but must be done before your treatment can begin.

During the meeting we will explain:

You will be provided with:

**FINANCIAL POLICIES**

**CO-PAYMENT, DEDUCTIBLE & CO-INSURANCE COLLECTION POLICY**

**We are required by law, and your health plan, to collect co-payments at the time of service.** Co-payments are required each time you are seen by the physician or nurse practitioner, and each time you receive medication in our Infusion Center, even if the physician or nurse practitioner does not see you. This co-payment is for the limited office visit charge that covers the medical management that the physician provides in overseeing your treatment. **This policy is established by your health plan** and is explained in your benefits handbook and is usually printed on your insurance card.

For patients going on treatment plans, we inform you in the Insurance Benefit Review what your personal financial responsibility is for the specific treatment regimen you will be on. We do collect for your deductible and co-insurance as applicable at the beginning of each treatment cycle. If you have questions or concerns about your insurance coverage, please call your insurance carrier directly.

**INSURANCE REIMBURSEMENT & BILLING POLICIES**

**BILLING STATEMENT: We are happy to bill your insurance as a courtesy to you.** Each month you will receive a statement from us describing your current balance and any charges incurred during the statement month. You can submit this bill yourself, along with the appropriate forms, to your insurance carrier. Or, as many of our patients prefer, we will bill your primary and secondary insurance carrier for you. Diablo Valley Oncology does not bill tertiary insurance coverage other than Medicare or MediCal. For us to do so, you must sign the "Release of Information & Assignment of Benefits" statement on the first page of this packet or on the "Change of Insurance" form. We will bill your insurance a maximum of three (3) times, then the responsibility for handling issues with insurance reimbursement rests with you. You are ultimately responsible for payment of your bill.

When you receive our monthly statement, payment is expected within thirty (30) days. Payments are considered delinquent after sixty (60) days. If statements are not paid after this sixty-day (60) period, a late charge will be assessed on the unpaid balance at a rate of 1% per month, compounded monthly, unless alternative payment arrangements are made in writing. If Diablo Valley Oncology or its physicians are not contracted with your insurance carrier, you are considered a "self-pay" patient and payment is due in full at the time of service.

**ATTORNEY FEES AND COLLECTION COSTS: If any legal action is necessary to enforce or interpret the terms of these billing policies, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which that party may be entitled.** You agree by your signature below to pay all collection costs, including attorneys' fees on all delinquent payments.

**SUSPENSION OF CARE (EXCEPT EMERGENCY CARE):** If no payment is received after ninety (90) days, we may be forced to suspend all but emergency care until a payment is received. Please discuss all billing issues directly with our billing department.

**ADMINISTRATIVE FEES**

Due to the high volume of requests we receive, we charge administrative fees for copying of all or part of a medical record, completion of disability forms, printouts of your billing statements, and other such administrative requests. The current fee schedule (which is subject to change) is:

Printing of Medical Records Fee:	\$15.00 + 25 cents per page
Disability Forms:	\$15.00
All Other Administrative Requests:	\$15.00
Returned Check Charge:	\$25.00
